A Healthy Body and a Clear Head.

A Healthy Body and a Clear Head.

If indigestion, constipation, and billousuess torment the body, the head cannot be clear. These disorders react upon the brain most burtfully, and produce a cloudiness in the organ of thought not experienced by a healthy man. Happliy these brain-oppressing maladies may be entirely dispelled by that peerless alterative, Hostetter's Stomach Bitters, which cheers, refreshes, and invigorates the brain and nerves, while it regulates the organ of digestion, assimilation, and billous secretion. It expels the morbid humars which poteon the system through the bowels and urinary passages, and exerts a powerful invigorating intuence as well. Its exthattle action is never irritating, violent, or painful, but even natural and progressive. As an appetizer and sleep promoter the Bitters are unrivaled; it mitigates the infimities of axe, relieves the allments peculiar to the gentler sex, arrests premisture decay, and builds up an enfectled physique.

THE SMALL THINGS OF A DAY. THE INPANTRY'S CAMP GROUND The Citizens of Atlantic City Arranging for the Soldiers' Reception.

[Atlantic City Review.] The citizens' committee on reception and entertainment of the Washington Light Infantry held a meeting at Schaufler's Hotel yesterday afternoon. Mr. J. R. Puzh,

Infantry held a meeting at Schaußer's Hotel yesterday afternoon. Mr. J. R. Puzh, who has been chiefly instrumental in bringing the troops here, reported that the corps would leave Washington at 9 o'clock on Saturday evening next, and arrive in Atlantic City at 7 o'clock on Sunday morning. The citizens' committee and the auxiliary committee of Washingtonians will be at the West Jersey station on the arrival of the train, when Councillor Harry L. Slape will receive the troops with an address of welcome, to which Col. Kreuger will respond. The two committees will then form in line, and headed by a consolidated band of forty-eight pieces will escort the corps, by the way of Schaußer's Hotel, to the Siates' lawn, where the camp is located. In all, not less than 700 persons will arrive by the special train.

The tents for the encampment are now in place and every arrangement is already perfected. The camp paraphernalia and baggage strived yesterday. A grand military ball and citizens' reception will be tendered to the visiting soldiers at the States on Monday night of next week.

The Washingtonians who are now in Atlantic City are manifesting great interest in the encampment, and at a meeting, held on Tuesday night at Schaußer's Hotel, a committee was appointed to co-operate with the citizens' committee of this city. This committee consists of the following gentiemen, all residents of Washington: Dr. S. W. Bogun, Paul Schulze, B. L. Wheeler, Charles Fischer, A. J. Clarke, Samuel J. Weeks, A. B. Coppes, Chr. Raffert, Wm. Muchelelson, F. P. Madigan, J. J. Appleb, Charles Schroth, G. O'Nelll, J. W. Davis, J. H. Clark, D. Hagerty, J. Harris, O. P. Burdette, B. Moore, A. Schaffairt, J. Dick, J. M. Grady, O. W. Leannarda, M. Jacobs, W. K. Ellis, F. A. Koch, J. W. Clark, C. W. Hefferman, Gustave Hartig, and I. Herdman.

The Washington gentlemen who attended vesterious's meeting stated that

W. Hellis, F. A. Roch, J. W. Clark, U. W. Heferman, Gustave Hartig, and 1. Herdman.

The Washington gentlemen who attended yesterday's meeting stated that they expected there would be many visitors from the national capital to Atlantic City during the period of the encampment. It was also stated that the people of Washington have no idea of the immensity or advantages of our City by the Sea. One gentleman stated that the Washington idea our famous board walk is that it is a dispidated affair, so narrow that one couple could not pass another without doing so in single lite, instead of an elegant elevated boulevard, three miles long and sixteen feet in with lighted its entire length with electricity. Our rilizens must now do their part, and lay the foundation for a large Washington patronage.

\$500 Not Called For.

It seems strange that it is necessary to per-suade men that you can cure their disease by offering a premium to the man who fails to receive benefit. And yet Dr. Sage undoubtedly cured thousands of cases of obstinate catarrh with his "Catarrh Remedy," who would never have applied to him if it had not been for his offer of the above sum for an incurable case. Who is the next bidder for cure or cash?

"Old Sledge," Remarked the Court. Joseph Taylor, colored, of 328 B street south-west, was called upon to plead in the police court yesterday to a charge of setting up a court yesterday to a charge of setting up a gaming table.

"We played five" up Saturday night and paid 10 cents for the privilegres of the raom and table," testified witness Sam Boston.

"Five up," said Judge Harper as if something strange had failen on his ear, "what is that."

"It is just like seven up," said Lawyer Cross, "out five points count out."

"Old Sledge," remarked the court with a look that reminded many of by-gone days.

Mr. Closs nodded his head.

The case was dismissed.

"Festina Lente."

"Festina Lente."

This is an old Latin motto, which, translated, means "Make haste slowly." When mon are sick they try to find some medicine which will cure them right up and send them out the next day to work. That can't be done unless at a fearful cost in the future. The true way is to gradually strengthen the nerves and tone up the general system by reasonable recourse to proper remedies, the best of which is Dr. Hengis Celery, Beef, and Iron, the greatest builder-up known of debilitated systems.
